The Language Institute

2026 Annual Campaign

In 2027, the Language Institute will proudly celebrate 45 years of welcoming students and helping them learn English! Each quarter, we serve approximately 40–50 students from more than 15 countries across four continents. English classes are offered from beginner to advanced levels, as well as personalized one-on-one tutoring to meet each student's needs.

The Language Institute welcomes students from all walks of life, from local residents and visiting researchers at UW, to parents who travel from abroad to spend six months with their children who are local residents. Students discover the Language Institute in many ways, including word of mouth, local advertising, social media, and even ChatGPT! As we approach this exciting milestone, we are grateful for the opportunity to continue connecting people from around the world through language, learning, and community.

Use this QR code to give in support of the Language Institute, or visit **upc.org/esl**. From November 8 to December 5, 2026, generous donors will match your gift, dollar for dollar, up to **$20,000!**
