

One of the benefits of UPC's location is the convenience and proximity to the University of Washington. However, this prime, inner-city location comes with its share of parking

challenges. This brochure is intended to provide you with tools to most effectively use the parking and transportation options currently available.

We encourage you to look at these alternatives as a stewardship opportunity, guiding the use of our limited parking resources to benefit the most needy.

We can all help to ease parking frustrations, particularly for people who need convenient access to our building. We encourage those of you who are able to park father away from UPC, or who can use alternative transportation to do so. Creating new parking is an expensive undertaking, with current cost estimates at \$20,000-\$30,000 per stall for parking garage construction. While this may be inevitable for UPC, we can work together to delay this expense.

We hope you find this parking guide to be a helpful resource. We will continue to listen to the needs of our congregation and strive to provide future solutions to the parking challenges that accompany our growing and dynamic church.

Parking Policy

Parking is available to members and friends visiting UPC on church business only. Everyone is required to use either a UPC parking sticker or parking pass, displayed in the rear window of a vehicle. Stickers and passes are available at the Welcome Kiosk.

Parking is available during church hours only (7 a.m.-10 p.m. daily). No overnight, off-site event or student parking allowed.

Please respect our U-District neighbors. Do not block alleys or driveways and obey reserved parking signs. Remember that other churches' parking areas are not available to UPC.

Unauthorized vehicles or cars abusing UPC parking privileges will be towed.

TAKE THE BUS!

If you're looking for an alternative to parking at UPC consider taking the bus. For information on Metro bus routes and times pick up a schedule at the Welcome Kiosk, call 206/553-3000 or visit <http://tripplanner.metrokc.gov>.
