

# **Job Description for Student Ministries Summer Intern Position**

@ Peachtree Presbyterian Church  
3434 Roswell Rd. NW :: Atlanta, GA 30305

## **Student Ministry Mission Statement**

To invite into our ministry every student, wherever they are spiritually and assist them in becoming devoted followers of Jesus Christ

## **PPC Student Ministry Vision Statement**

To see lives changed because of and for the glory of Jesus Christ

## **Pastoral/Relational**

Lead or Co-lead one small group of 6-10 college students. This is a weekly commitment. Leading a small group entails organizing the gathering, preparing discussion questions, creating and maintaining a safe atmosphere for conversation, and encouraging student participation. Relational ministry consists of meeting with students one-on-one for fun and/or intentional discipleship.

## **Leadership—trips/events/activities**

Attend all agreed upon trips/events/activities. Assist in the planning process by completing designated assignments. Leadership consists of being able to receive and give instructions to staff, leaders, and students to help activities run as smooth as possible.

## **Teaching**

Interns will be assigned to speak on Sunday mornings two to three times total during the summer in college and high school ministry. Each message should consist of 10-15 hours of study, prep, writing and practice. You will be given a topic (angle) and passage of scripture to guide your preparation.

## **Programs**

Attend weekly meeting to help plan weekly programs. Planning consists of brainstorming teaching angles, ideas relevant to current teaching series, and use of multi-media tools, etc. Staff will be given weekly assignments to help with the development of the program.

## **Personal Study & Spiritual Development**

Interns are expected to take 4 -6 hours each week for personal study and prayer as well as participate weekly in a staff book study. He/She will also meet weekly with a supervisor/mentor for encouragement and assistance or advice around issues pertaining to personal life if necessary as well as with various aspects of ministry. Our goal is that the internship would serve the intern equally as much as, if not more than, the intern serves the ministry.
