Job Title: 5pm Service Music Leader

Reporting Structure: Reports to the Pastoral Staff in charge of 5pm Service

Hours/Work schedule: 10 hours weekly

Exempt/Non-exempt: Exempt

Job Definition:

The 5pm Service Music Leader has primary responsibility for leading the music portion of the 5pm Sunday worship service at MIPC. This includes leading the band / musicians during the worship service, working with the pastoral staff to select music / songs consistent with service goals and current sermon themes, rehearsing the band in advance of the worship service to ensure high quality performance, recruiting / nurturing / scheduling an adequate supply of musicians and vocalists in support of the worship calendar, and performing a basic set of administrative functions.

The Music Leader seeks to create a ongoing contemporary music-based program that enriches the worship experience of members and guests at the 5pm service. "Contemporary music" is broadly defined to include rock, jazz, folk, blues and country elements. At the same time, the music program should also honor more traditional worship forms such as hymns.
