Internalizing the Resurrection

Romans 8:9-14

April 30, 2023

Introduction: There are two ways to live. Not: good versus bad or easy versus hard. But: on your own or with the Holy Spirit. If you believe in Jesus, you've got the Holy Spirit within you. Which presents you with options: either you can go back to your old life or you can discover the fresh possibilities of a totally new life with the Holy Spirit. "I believe in the Holy Ghost". Maybe you've said it before. Now it's time to learn how to live it.

Prayer: Father, help us to know the internal life we have because of Christ. Amen

Read: Romans 8: 9-14

Review: What was your mind set on this past week?

Discussion:

1. What does it mean that our spirit is alive because of righteousness when our body is dead because of sin?
2. How does God give life to our mortal bodies (verse 11)? Have you experienced this life?
3. What is our obligation in how we are to live? What does the Spirit do for us in our daily life?
4. Review the promise of verse 14. What does this mean for us?

Application: This week, practice being led by the Spirit in all that you do and say.

Prayer: Father, we give you our praise for all what the Spirit is capable of, more than just for our mind. Amen.
